

Agenda Item	Objective	What do we need	Person in charge	Notes
Connections/Introductions	Getting to know each other, community building		Cynthia	
Introduction to our family website	important communication tool, resources, calendar	laptop, provide parents with a copy of our school calendar w/ important dates	Cynthia	Brief mention of Parent Resources tab on the website
Introduction to our FEE monthly meetings	when are they going to be held, time and the purpose of FEE		Cynthia	Once per month from 5:30-6:30, parents informed that they should come with discussion ideas; Joey announced the plan to move into the new building toward the end of the year; discussion of how we handle problems openly with students; Mary suggested having an officer visit to discuss school safety with students
Introduction to Project Foundry as a Coach	All parents will have a coach password/username assigned to assist students with student projects at home		Cynthia/Dathan/Bethany	Introduction to Coach page of Project Foundry: progress tracking, middle school plan vs. high school plan, explanation of project proposal process, explanation of learning targets, discussion of how Project Foundry might look different for students who learn differently (ie, students who are more verbal than visual)
Student homework			Joey	Discussion of how students determine their own homework; mentioned that students will now have personal websites showcasing their outstanding projects and writing assignments; switching student mentality of 'how much credit do you need to earn' to 'what do you want to learn'?
MATC Credit earning - Seniors	Share with parents information about this program		Bethany	Students are able to start attending MATC but they must pay their own tuition; volunteer and service learning opportunities are considered excused absences
Discuss general parent questions	open conversation		All	
Next FEE meeting is September 4th from 5:30-6:30pm
