Community night update		When is our next community night?	Bethany	Our last community night was the best yet! Our next Community will be December 18th from 5-7. Architects will be here to answer any questions of our new school building and to showcase floor plans. All are welcome!
Transportation			Bethany	For the past two years we have received implementation grant, we will no longer receive this money. Because of this we will no longer have money to purchase bus tickets. We will be offering bus tickets for the remainder of the year but will not have money for next school year unless we find someone that will fund transportation. We are at a loss, what to do next? How important are bus tickets? Parent suggestions: 1. Northwestern Mutual foundation (parent is employee, will get us contact information) 2. School time may affect parents having to drop off students because of our late start and their early work start 3. Organize a carpool, see who lives in the area 4. Pick up students on our school vans 5. Parents pay a portion at the beginning of the year to cover some cost, then the rest matched by a grant 6. Culvers, getting involved with business - % of proceeds go to EV. 7. Amount needed to \$17,000+ new students enrolled next year.
